It is hereby notified in terms of Article 26(6) of the COMESA Competition Regulations (the "Regulations") that the COMESA Competition Commission (the "Commission"), after receiving a notification in terms of Article 24 of the Regulations regarding the Proposed Acquisition by CL Financing Diamond Limited ("CLFD" or the "Direct Acquirer") of a single aircraft asset that is registered in Tunisia and leased to a third-party customer in Tunisia (the "COMESA Asset", or the "Target Asset"), from KDAC Aircraft Holding 3 Limited (the "Seller"), intends to embark on an inquiry in terms of Article 26 of the Regulations.

The parties submitted that CLFD is a limited liability company incorporated under the laws of the Cayman Islands and owned by funds managed by Castlelake L.P ("Castlelake"), a US based, global alternative investment firm.

The parties submitted that CLFD owns commercial aircraft and aviation assets globally, which are serviced by Castlelake. Castlelake is active in the global market for dry aircraft leasing services. The parties further submitted that the COMESA Asset is leased to a third-party customer in Tunisia.

The Commission will, in accordance with the provisions of the Regulations, determine, among other things, whether the proposed transaction is likely to substantially prevent or lessen competition in the Common Market and whether the proposed transaction is or would be contrary to the public interest as provided for under Article 26 of the Regulations.

In view of this, the Commission hereby gives notice to all interested stakeholders, including competitors, suppliers and customers of the parties to the proposed transaction to submit written representations to the Commission with regard to the subject matter of the proposed inquiry by emailing them to:
